**SHIPPING:** If you have a UPS account, enter account code here: \_\_\_\_\_

**WARRANTY:** See website for warranty information.

\* When exchanging your **MBO T series Folder Rollers**, there is a block and pin on the drive side of machine mounted to the folder roller. In some instances, the hole on the block and the hole in the folder roller may not match. The MBO folder rollers may have been manufactured in Poland or Germany which poses the issue. Simply have your machine shop re-drill the folder roller hole to fit the block. Make **SURE** you have tried all the blocks before drilling new holes. We are not responsible for the old holes on folder rollers and your blocks.

**PAYMENT:** First-time orders must be paid before shipping. We accept payments by check and credit card. Net 30-day orders will be charged 10% per month for late payment. Your signature is a personal guarantee of payment for all outstanding invoices.
